

### **3/26/20 Update from the Library Director on COVID-19**

It is “business as usual” or library business as we know it for now. With the doors closed, we are still providing library services through our online resources. There are so many ways that you can use the library without stepping inside. If you are not already familiar with the SDL resources, this is a good time to explore our website: <https://www.salinelibrary.org/>

We hope you are making use of and enjoying all the wonderful digital resources available to you through Saline District Library. Some of these resources do require a library card, so if you need a new card, you can apply online here: <https://www.salinelibrary.org/get-a-card/>

If you have other questions or concerns, you may contact library staff through our website: <https://www.salinelibrary.org/contact-us/>

You can also [follow Saline District Library on Facebook](#) to get some good tips on what’s happening, such as chats with authors, activities for kids, and more.

Our expected reopen date is still April 14th, but this could change depending on directives from the state. We look forward to seeing you at the library in a healthier time!

**Thank you for your understanding and assistance in keeping our community safe.**

**Mary Ellen Mulcrone, Library Director**
