

### **6-7-2021 UPDATE from the Library Director**

As we continue to see a steady decrease in the number of new cases and great improvement overall in the status of the COVID-19 situation in Washtenaw County, we are very pleased to be able to keep moving forward in the phased Reopening Plan for Saline District Library.

Beginning on Monday, June 14th, the Library will begin Stage 4 of our plan. This means that we are still in a quick browse mode, but appointments for browsing will no longer be necessary. You may visit SDL during all of our regular hours to pick up holds or browse the collection, but we ask that you limit your visit to 60 minutes or less. Our service desks will continue to be fully staffed, and all of the other services that are currently available will continue. We will also be offering a limited number of public computers and study rooms for individual use (no groups at this time). Computers and study rooms are available on a first come, first served basis with time limits of 60 minutes.

For the safety of all of our visitors, and to ensure compliance with MIOSHA Emergency Rules and the current MDHHS Gatherings and Face Mask Order, we require that everyone aged two and older wear a face mask while inside the library building, and we ask that you continue to keep a safe social distance from other visitors outside your own group.

We look forward to seeing you at the Library!

Mary Ellen Mulcrone  
Library Director
